## Call for Special Sessions

**Proposal Submission Deadline: September 25, 2022**

The Conference organizers are calling for proposals to organize a special session during ICBHI2022. The special sessions group together 4 papers on a related topic on biomedical or health informatics and can be organized as regular 15-minute presentations or as short presentations followed by a round table or discussion. The total duration must not exceed 60 minutes.

This year's conference main tracks are

1. Innovation
2. AI & Precision medicine
3. Medical devices and patient safety
4. Clinical applications, e-Health, HIS, interoperability
5. Signal and image processing
6. Education

Other topics related to BHI are welcome.

### Proposal

Please submit a 1 or 2 page proposal indicating title, keywords, list of speakers with short biography and list of 4 papers including a brief description. You can send the proposal through our paper submission link: <https://easychair.org/conferences/?conf=icbhi2022>. Accepted sessions presenters are expected to register and present at ICBHI2022 and will be invited to submit full length papers to be published in the proceedings. Talks must be supported by abstracts or full length papers. The deadline to submit a full length paper is October 15.
